C.I.O. Flays New Type Of Living Index

Fears Wage Boosts Would Be Reduced Under Altered Plan

WASHINGTON, March 3 (AP)—The C. I. O. charged today that the government's new-type cost-of-living index, which may be used to determine immediate pay boosts for more than 1,000,000 workers, does not reflect the actual rise in prices.

The pay increases—four or five cents an hour—are allowable under a formula adopted last Tuesday by Wage Stabilizer Eric Johnston and amended by him to permit cost-of-living adjustments agreed to by management and labor before the Jan. 25 wage freeze.

But the question is, will they be based on the new-type index or the old-type? It might make a cent or so difference.

The 800,000 employees of the auto industry will share the bonanza. Some of them—at Ford and Chrysler—would have been denied the full amount of adjustment had Mr. Johnston not acted. The cost-of-living increase, plus other raises they have received in the past year, would have pushed through the 10 per cent pay raise ceiling in the unamended wage stabilization order.

The pay adjustments are made every three months, at the rate of one cent an hour up or down with every rise or fall of 1.14 points in the Bureau of Labor Statistics consumers' price index. The bureau, acting to gear its measurement of living costs to changing buying habits, yesterday put out its first new-type monthly index. It contained 25 new items and cut down the importance of food in the family budget of a moderate income family.

This drew the fire of the C. I. O., which argued that food prices have zoomed since the Korean fighting began last June, and this was no time to begin a new kind of index. At least 2,700,000 workers now have contracts calling for periodic adjustments up or down as the index changes.

The C. I. O.'s chief of research and education, Stanley H. Ruttenberg, called the labor bureau's index change "ill-considered." The new-type index stood at 181.5 for mid-January, compared with 178.8 for mid-December. That meant an increase of 1.5 per cent, or 2.7 points, in one month. The period 1935 to 1939 is considered normal or 100.

The bureau also issued the old-type index, which showed the mid-January level as 181.6, compared to 178.4 for December, an increase of 1.7 per cent.

It has not yet been disclosed whether the government will insist on using the new index.

While the cost-of-living index continued its upward climb, wholesale prices, which won't be reflected in the family budget for several weeks, dropped for the first time in 19 weeks. The decline was 0.2 per cent.

Hand Grenade Injures 5 In Union's Violence

JERSEY CITY, N. J., March 3 (AP)—A hand grenade hurled into the headquarters of a violence-ridden longshoremen's union 24 hours before a scheduled election left five members injured today and brought 12 arrests.

Public Safety Commissioner Louis J. Messano canceled all police leaves to speed the hunt for the person who tossed the grenade yesterday into the headquarters of Local 1247 of the A. F. L. union. On Mr. Messano's request, the election was postponed.

The blast shattered the headquarters and wounded local President Vincent Barney Brown, 35, Secretary Armand Faugno, 41, and three other members.

Police already have booked as material witnesses 12 persons, including the five in the hospital, one local official and two former officials.

It's Socialist's Turn To Seek French Cabinet

PARIS, March 3 (AP)—Henri Queuille, a member of the radical Socialist party, today gave up his attempts to form a new French cabinet. President Vincent Auriol will now ask a Socialist to try.

Auriol had named Queuille premier-designate yesterday in the hope he could break the current deadlock over reforms in the electoral law.

Auriol summoned Socialist Guy Mollet to a conference for later today. Mollet has never been premier.

PROBE FIGURES. These men have figured in charges during the Reconstruction Finance Corp. probe. E. Merl Young has been accused by Carl Strandlund, who headed the now bankrupt Lustron Corp., of attempting, with the aid of R. F. C. Director Walter Dunham and others, to take over Lustron. Mr. Young's testimony brought in the name of Senator Joseph McCarthy, Wisconsin Republican. Mr. Young said Mr. Strandlund cashed McCarthy checks at a race track, then tore up the checks.

Fulbright Hits 'Pack Of Lies' In R.F.C. Quiz

Thinks Senate Group Can Wind Up Probe Of Loans Next Week

WASHINGTON, March 3 (AP)—"I have never heard so much lying in my life."

That was Senator Fulbright's assessment today of some of the testimony in a Senate probe of Reconstruction Finance Corp. lending policies.

The Arkansas Democrat who heads the investigating subcommittee declined to specify which statements he considered false among the welter of charges and denials by a score of witnesses.

But he said scrutiny of the record may reveal the need for a "general investigation of the moral level of our government."

The committee has charged that political influence and personal pressure tipped the scales in the R.F.C.'s consideration of several multimillion-dollar loans.

Mr. Fulbright told reporters today that although the record of the committee hearing is "full of perjury," it has "shown conclusively" that the R.F.C. yielded improperly to outside pressures.

It also demonstrates that the Senate banking subcommittee conducting the inquiry "did not make an assinine report," Mr. Fulbright added. This was an allusion to President Truman's news conference description of a report the committee filed with the Senate last month.

Mr. Fulbright said the committee has "served its purpose" and should wind up its inquiry by next Friday. "I don't propose to spend the rest of my life on this cockeyed thing," he added.

City Personnel To Get Loyalty Oath Next Week

Loyalty oaths prescribed by the federal government will be administered to all city employees next week by Municipal Judge George L. Brokaw.

Safety-Service Director Lawrence S. Bloor said today the judge will visit each city department's headquarters, where workers will be assembled at a pre-arranged time. After the employees take the oath, they will sign it in affidavit form, witnessed by the judge and affixed with the Municipal Court seal.

The judge suggested that he make the rounds of the departments, rather than asking the employees to take time off to visit the court, the director said. About 80 are affected.

The form for the oath was furnished through the East Liverpool Civil Defense. The judge will visit several places, including the Street, Incinerator and Fire Departments and the Water Plant, the director said.

Snow And Ice Hit Midwest As Dixie Bakes

Some Spots Isolated By Fall; Mercury In 80's In Gulf States

By The Associated Press
Midwest areas staggered today from snow and ice storms and gale-like winds as winter drove on relentlessly.

Hip-deep snow covered the Dakotas, Minnesota, Wisconsin, Michigan and Iowa. A blast of sub-zero cold moved into the northern plains and headed for the north-central storm belt.

Some towns are isolated. About 1,000 persons were stranded overnight in Glenwood, in west-central Minnesota. Sleet pelted some areas and winds ranged from 20 to 40 miles an hour. Communications lines were disrupted.

As the wintry elements battered the winter-weary Midwest, Dixie was having a touch of summer. Temperatures climbed into the 80's over the Gulf States, hitting record highs for the date in many cities.

The new snow measured 15 inches at Sioux Falls, S. D., putting 24 inches on the ground. There were 41 inches of snow on the ground at Calumet, Mich., including a new fall of five inches. Lake O'Leary, Wis., plowed through snow up to a depth of 31 inches.

Showers and thunderstorms hit over most of Missouri and parts of Illinois, Indiana and Ohio.

Most of the 1,000 persons stranded at Glenwood, Minn., last night were housed in the high school gymnasium, the others in private homes. Most of them were in Glenwood for a high school basketball tournament.

In the South, top temperatures reported yesterday were 92 at Laredo, Tex., and 87 at Ocala, Fla.

Couple Hurt As Auto Hits Hill At Bridge End

A Wellsville man and a Chester woman are in City Hospital today with injuries received at 2 a. m. when their auto piled into the hillside at the West Virginia end of the Newell Bridge.

Ralph Picken, 24, of Crawford Ave., Wellsville, will be charged today with drunken driving, according to Deputy Sheriff Robert Edwards.

Picken suffered a cut right eye and fractured nose. His passenger, Margaret Barnes Powell, 25, of 937 Phoenix Ave., Chester, received injuries of the left cheek, right knee and left ankle. Both are in "good" condition.

Mr. Edwards said tire marks showed the auto slid 82 feet from the bridge, across the Chester-Newell Road and over a highway sign into the hillside.

He estimated \$700 damage to the late model sedan. He said an unidentified couple in the rear seat apparently escaped injury.

G.O.P. Spurs Demand For Troop Voice

Hickenlooper Joins 5 Others In Asking Power By Congress

WASHINGTON, March 3 (AP)—Senator Hickenlooper (R) of Iowa joined five Republican colleagues today in a move to give Congress the dominant voice in making U. S. troop contributions to the European anti-Communist army.

Mr. Hickenlooper told a reporter he wants more than "a pious declaration" of the Senate approving the dispatch of troops to Europe. That, he said, is what the "Connally-Russell resolution" amounts to.

Senators Connally (D) of Texas and Russell (D) of Georgia have proposed that the senate go on record as favoring the dispatch of ground forces to the North Atlantic army under General Dwight D. Eisenhower. Mr. Connally and Mr. Russell offered their resolution as a substitute for one by Senator Wherry (R) of Nebraska which would record Congress as opposed to sending ground troops abroad before Congress sets a policy.

The Connally-Russell resolution also proposes a presidential check on the contributions made by European nations and consultation with Congress on any future additions of foot soldiers.

The administration plans to send four divisions to join the two, now on occupation duty in Germany, which have been placed under General Eisenhower's command.

Mr. Hickenlooper contends this resolution would have no force in law. Instead, he said any American additions to an international army ought to be authorized in advance by Congress in a resolution passed by both houses.

"I don't mean," he said, "that it should go into any minute direction of troop movements or that it should limit the numbers sent, but it should pass on the policy."

That was about the same view taken by senators Wiley of Wisconsin, Lodge of Massachusetts, Saltonstall of Massachusetts, Bridges of New Hampshire and Smith of New Jersey.

All, along with Mr. Hickenlooper, are members of the joint foreign relations and armed services committee studying the troops-for-Europe resolution. The joint group has 26 members, 16 Democrats and 10 Republicans.

Pennsy To Install Electronic Signals In Safety Program

NEW YORK, March 3 (AP)—The Pennsylvania Railroad has announced plans for a 10-million-dollar electronic speed control system designed to slow or stop trains in the event other signals are overlooked.

The plan, which will apply to two-thirds of the line's trackage, was announced yesterday at a news conference by James Symes, vice-president in charge of railroad operations.

The new system will be operating in some engines within "a couple of months," Mr. Symes said, adding that "big production" of the apparatus cannot be expected for six to nine months.

Winfield G. Salmonson, assistant chief engineer of the Pennsylvania in charge of signals, said the safety device works by a series of electronic impulses which set up a magnetic field around the rails.

He said a receiver on the engine picks up the signals, much as a radio set operates, and electronic equipment interprets the impulses so received to actuate the brakes when necessary.

Mr. Symes explained that the new speed control may be superimposed on the cab signal system now used by many Pennsylvania trains. The controls are "absolutely automatic," he said, and would eliminate man failure with regard to excessive speed.

In effect, he added, the new system is the same as that being provided for the Long Island Railroad.

Reds 'Seize' Zanesville

ZANESVILLE, O., March 3—The Junior Chamber of Commerce planned to show Zanesville today what would happen if Communists "took over" the city. A parade was scheduled this afternoon, with "Communist troops" wearing red arm bands and carrying red flags. A barbed-wire stockade and a gallows are erected near the courthouse. After the parade, the schedule called for "arrests" and "trials" to demonstrate Communist terrorism.

Paper's Report Tells Of Growing Purge In Swatow, Other Spots

By FRED HAMPTON
Associated Press Staff Writer

HONG KONG, March 3—Red terror in Swatow, a crushed guerrilla movement in Kwangsi, seething peasant unrest in the south—these were the reports out of Communist China today.

They all add up to what the Red capital at Peiping itself admitted only last week—that the

200 Reported Seized In Czech Purge

PRAGUE, March 3 (AP)—More than 200 persons—including top Communist party officials—were reported to be under arrest today in Czechoslovakia's current purge of "Titoist plotters."

dissidents are challenging their Communist masters all over China.

"They come at a time when the Chinese Nationalists in their Formosan fortress 100 miles off China's southeast coast are declaring they will return to the mainland."

Dispatches to the independent Wah Kiu Yat Po and other Chinese newspapers in Hong Kong say the Tommy gun rules in the port of Swatow, opposite Formosa.

They told of jails jammed with suspected adherents of Chiang Kai-shek, or relentless house-to-house searches, of 60 or more Chinese being marched out to the execution grounds nightly.

A dispatch to Wah Kiu Yat Po today said so many Chinese are fleeing the Red terror of Swatow that Communist officials have clamped on new travel restrictions.

Wah Kiu Yat Po, which says it has an underground reporter in Swatow, reported 13 Chinese were arrested for "forging government papers for the use of outboard travelers."

The same newspaper carried a Canton dispatch which quoted "official circles" as revealing 2,700 "reactionaries" had been executed in Swatow. The Swatow purge reportedly has been on for two months. Thousands of others have been executed in Kwangtung Province, the paper said.

No other newspapers have carried these reports. If true, they show a purge of far greater proportions than any reported yet.

Peasant resistance is so severe in parts of south China that the Communists have postponed the redistribution of land. Peasants were reported joining Nationalist guerrillas.

A foreign source said today that 5,000 Russians have arrived in China's Hunan Province to teach the Chinese Reds the Soviet purge techniques.

Death Claims Woman With 'Borrowed' Kidney

LOS ANGELES, March 3 (AP)—A woman who lived four days with a kidney connected to her arm died last night.

Dr. Howard W. Merrill, osteopathic surgeon at Monte Sano Hospital, said a post-mortem examination showed that death was caused by a blood clot, rather than the unusual operation.

The woman's kidneys became inflamed by a virus infection and ceased functioning. With his family's consent, a kidney was taken from an Alhambra (Calif.) man less than an hour after his death.

It was connected to the arteries and veins of the woman's arm, the arm and kidney being suspended in a tray containing a saline-glucose solution.

American Challenge

U. S. Dares Reds To Let U.N. Count Troops And Guns

UNITED NATIONS, N. Y., March 3 (AP)—The United States today dared Russia to let the United Nations start counting her soldiers, sailors, guns, tanks and planes Monday. It agreed to undergo the same inspection.

Such an independent census, the U. S. said, would show once and for all who has the biggest armed forces—the Soviet Union or the western powers.

Russia has rejected all previous demands for such a count. The new American move was occasioned by Russia's note to Great Britain last week charging that the western powers have twice as many men under the arms as the Soviet.

It was made in a statement by Frank C. Nash, deputy U. S. representative on the U. N. Commission for Conventional (non-atomic) Armaments and onetime assistant to former defense secretary James V. Forrestal.

The Russian note claimed that the Soviet Union had only 2,500,000 men under arms in comparison to the western powers' 5,000,000.

The Senate foreign relations committee said Feb. 14 that the unofficial correct figures were: ▶Russia—4,000,000.

Shot After Crossing Line; Moscow Has Own Version Of Case

FRANKFURT, March 3 (AP)—Two Communist "people's police" were shot to death last night in an exchange of fire with U. S. army border patrolmen, German officials said today.

The two had crossed into Western Germany and were shot when they resisted arrest, the officials said.

The Soviet press had a different version. A Moscow dispatch said eight American soldiers fired on two members of an East German border patrol, killed one of them, and then dragged the body on the western side of the border to create the impression the dead man had been on the American side. Moscow denounced the Americans as "gangsters in military uniform."

The interior ministry of the West German state of Hesse said the shooting occurred near Ober-Sul, a small village on the west side of the border about 15 miles west of Eisenach in the Soviet-occupied zone. The ministry gave this account:

The East Germans were on the American side of the border when they were encountered by U. S. military border patrolmen. The East Germans were the first to open fire. No Americans were wounded in the exchange of shots.

American military authorities in near-by Hersfeld said they were forbidden by regulations to discuss the incident. A spokesman for the U. S. Army's European command headquarters in Heidelberg said he is checking the report.

Russians Would Take Shift Off Your Back

BERLIN, March 3 (AP)—Rias (radio in American sector) today broadcast a set of instructions it said were issued by a Russian zone "people's-owned" factory with each shift it manufactures. The instructions:

"Don't boil, don't wash in hot water. Don't rub, brush, wring or tear. After rinsing, pull back into shape, if possible. Avoid heat from stoves or from the sun."

Votes Claimed To Defeat 18½ Floor On Draft

Morse Amendment To Come Up For Test In Senate On Monday

WASHINGTON, March 3 (AP)—Senate leaders claimed enough votes today to defeat a move setting the minimum draft age at 18 years and six months.

A test will come Monday on the amendment by Senator Morse (R) of Oregon to the Senate bill on universal military training and service. The bill calls for lowering the draft age from the present 19 to 18 years—six months younger than Mr. Morse proposes.

The vote Monday will be the first measure of full Senate opinion on a provision of the controversial bill which originated with the Defense Department.

Senator Johnson (D) of Texas, floor manager for UMTS, told reporters that the Morse amendment "will be defeated by a substantial margin."

Most of the Senate's time yesterday was spent in a brisk verbal exchange between Mr. Morse and a fellow Republican, Senator Cain of Washington.

In polite but barbed language, Mr. Cain told Mr. Morse, seated a few feet away, that Mr. Morse's numerous amendments would cripple the bill and are unrealistic.

In addition to fixing the draft at 18½, Mr. Morse asks that the service period be limited to 21 months instead of the 26 months proposed in the bill; that veterans of more than six months service be released after 18 months; that enlistments in all services be limited to a 30 months period, and that deferments to attend college be 150,000 a year instead of the 75,000 in the bill under debate.

Foe Rushes Reserves In Bid To Hold

Doughboys Repulse Counter-Attack East Of Captured Base

TOKYO, March 3 (AP)—American Marines pushed north of captured Hoengsong today on the central Korean front, but heavy Chinese fire slowed their progress.

In three days the Leathernecks have ground ahead four miles across the jagged hills that rise to 1,500 feet around Hoengsong.

Chinese mortar fire slowed one Marine column two and a half miles northeast of the road hub. Small arms and automatic weapons fire poured from mountain foxholes barred the Marine column striking northwest from the captured town.

There are signs that the Chinese are pouring in reinforcements in a gamble to save the last heights guarding roads running north and northwest from Hoengsong.

The Marine column on the left flank pushed past the burned-out remains of a United Nations convoy that had been ambushed nearly three weeks ago when the Chinese and Korean Reds mounted their massive central front attack.

In the Pangnim sector east of Hoengsong, American Seventh Division infantrymen with flashing bayonets repulsed a Korean Red counter-attack.

American artillery poured 3,000 rounds on a Communist force of 3,000 or more troops dug in just north of the Seventh Division position.

A tank-led patrol smashed a Red roadblock and ranged up the Pangnim-Changpyong highway to within one and a half miles of the badly-smashed town.

On the west flank of the Hoengsong front, British and South Korean troops gained up to a mile and a half. They pushed within one mile of the Yongdu-Hoengsong highway. The British 27th Commonwealth Brigade was fighting southeast of Yongdu, junction town along a lateral road linking with the Chinese supply route from Hongcheon.

South Korean Third Division troops turned back four pre-dawn counter-attacks on the front four to nine miles southwest of Hoengsong. The Reds struck again in mid-morning, but field dispatches said the Reds were holding their own.

On the far west, Allied big guns bombarded the old South Korean capital of Seoul. Fires burned furiously in the blackened city. The Communists replied with artillery, mortar and tank shells.

Illness In Korea Claims Sergeant Of Smiths Ferry

Sergeant Frank Barnes of Smiths Ferry died of an ailment Feb. 25 in Korea, the Defense Department today notified his widow, Mrs. Shirley M. Barnes. He was 46.

He suffered an intestinal hemorrhage that Mrs. Barnes believes was due to an abdominal injury received a few months ago when he was crushed while handling drums of oil. He was in a hospital in Japan for about a month before going back to his company in the Korean battle zone.

Sergeant Barnes, a veteran of World War II, was employed by the Crucible Steel Co., Midland, before re-enlisting in the Army about two years ago. He served with General Patton's Third Army in the last year of the war. He had been in Korea about five months with the 518th Signal Corps.

Sergeant Barnes was a member of the Smiths Ferry Methodist Church and Midland American Legion Post 481.

He leaves his mother, Mrs. Bertha Barnes also of Smiths Ferry, a sister and three brothers.

It is commanded by Captain John Plattenburg of New Cumberland.

Already active in Chester is Company C of the same battalion and Company B of the 301st Amphibian Tractor Battalion. The former is commanded by Captain Charles Morris and the other by Captain John R. Porter, both of Chester.

Second Lieutenant Dale Allison of Chester, plans and training officer of the airborne company and recruiting officer for the battalion, said volunteers for service with the new unit may contact him at his insurance office or during any meeting night at the armory. The company meets the first four Tuesdays of each month, from 8 to 10 p. m.

Captain Paul Vogel of Wellsville, executive officer of the First Battalion, said men 18 through 34, with or without prior military service, are eligible to enlist. Men of draft age may enlist before receiving notices from their boards to report for pre-induction physicals, he said.

The company has openings for all ranks from privates through lieutenants. The age limit does not apply to officers, Captain Vogel said.

Voting Board Seeks School For Precinct

Heights Building To Be Sought For 4-F Center In Primaries

Unable to find a suitable voting place for its 4-F precinct, the County Election Board will ask the Board of Education for permission to use a room in the basement of the Pleasant Heights School for the May 8 primaries.

Frank R. O'Hanlon, clerk of the board, said he is drafting a letter to school authorities. Mr. O'Hanlon explained that the usual Pleasant Heights voting place in the home of Mr. and Mrs. John Myers, 1525 Lisbon St., will not be available because of serious illness in the family.

"Pleasant Heights voters have suggested to us that the school is in a central location and adapted to voting purposes," Mr. O'Hanlon said. "We understand there is space in the basement called a 'movie room'."

The request to use school property was drafted after the Election Board canvassed the entire area without being able to rent a suitable public or semi-public building. The new Pleasant Heights Fire Station was considered, but it does not have sufficient free space. Mr. O'Hanlon said.

After the primaries, the board may have to seek a new location for its 1-C precinct, which has voted for years in the East End Fire Station on Virginia Ave. When a new station is opened March 15 on Pennsylvania Ave., the city expects to convert the old building to equipment storage.

The city already has assured the board that the existing station will be available for voting in May, Mr. O'Hanlon said. The Election board also uses space in City Hall and the North Side and Central Fire Stations.

Two other school buildings also are used for polling places—McKinley for 2-C and Lincoln for 3-F.

Drew Pearson Asks 5 Million In Damages

WASHINGTON, March 3 (AP)—Drew Pearson, newspaper columnist and radio commentator, has sued Senator Joseph McCarthy (R) of Wisconsin, a Washington newspaper and at least seven other persons for damages totaling \$5,100,000.

The suit filed in U. S. District Court yesterday asks \$600,000 damages from Mr. McCarthy on two counts—one alleging a physical attack on Mr. Pearson and the other based upon alleged publication by Mr. McCarthy of a Senate speech.

Mr. McCarthy, the Washington Times Herald, newspaper columnist Westbrook Pegler and radio commentator Fulton Lewis Jr. are among those named in Pearson's third count. It asks \$3,000,000.

A fourth count calls for an award of \$1,500,000 against all the defendants together and "other persons, natural and corporate."

Officers Are Named For Teen-Age Society

Officers were elected at the first meeting of the Teen-Age Society of the LaCrosse Church of the Nazarene Thursday night in the recreational annex. They are: Joe Ann Deem, president; Erla Mae Wollam, vice-president; Betty Monroe, secretary; Barbara Hood, treasurer, and David Parr and Pete Mason, reporters.

Games were played and refreshments were served by Mrs. Lawrence Jackson, adviser. Approximately 30 were present.

250 Attend Dance

LISBON, March 3.—More than 250 persons danced to the music of Vince Andrusis and his orchestra for the annual Freshmen-Sophomore party Friday night in the High School Auditorium. Donald Kelch was general chairman. Refreshments were served by the homeroom mothers.

TOLEDO, March 3.—A Negro whose work with wayward youths has gained national recognition last night received the "outstanding young man" award of the Toledo Junior Chamber of Commerce. He is Joseph E. Doneghy, boys' referee in Juvenile Court.

\$52,000 Project About Completed

New Fire Stations To Be Ready March 15

EAST LIVERPOOL'S two new residential district fire stations probably will be ready for service March 15, representing a \$52,000 investment.

Pictured above is the Pleasant Heights Station, located at Belmar St. and Wyoming Ave. The East End station, fronting on Pennsylvania Ave. near Palissey St., is its twin.

The brick buildings have

been under construction since last summer under a contract held by Paul M. Brown of St. Clair township. Bad weather, followed by a holdup in shipment of materials, delayed the originally scheduled completion dates several times.

At the right is the truck space, reached by a concrete drive. Living quarters and recreation space for firemen

are at the left.

The overall cost of \$52,000 represents the price of both the buildings and the sites. Funds were raised through a bond issue voted at the Nov. 8, 1949, election.

The project provides the first local fire protection for the fast-growing Pleasant Heights area. East End's present fire station on Virginia Ave. was

condemned in 1945 by the State Fire Marshal's office. The city expects to remodel it for use as an equipment storage barn.

Safety-Service Director Lawrence S. Bloor said today ground in front of both stations will be leveled next week. The wide intersection in front of the Pleasant Heights station will be slugged to provide easy access for fire equipment.

County's 4-H Work Detailed

National Club Week Observances Opened

LISBON, March 3 (Special)—Some of the outstanding county 4-H activities were listed today by Harry G. Smith, associate extension agent, as National 4-H Club week opened.

He said 1,424 boys and girls were enrolled in club work in the county during 1950 with 84 per cent completing projects.

The activities include: 4-H Camps during late July and early August in Ashtabula County.

Achievement Day when girls receiving "A" grades model their project dresses in competition to determine who will be the county representative at the state fair, 4-H Day at the county fair when members take part in the program and receive awards earned during the year, and the annual advisers recognition banquet when advisers are honored for their work during the year.

In addition, Mr. Smith said, county 4-H representatives attend such state activities as the 4-H Club Congress, Leadership Camp, Conservation Camp and the State Fair.

Man Suffers Bruises In Collision Of Trucks

One man was bruised in two minor district accidents Friday afternoon, the State Highway Patrol reported.

George Krulik, 25, of West Point was injured about 3:15 p. m. when his pickup truck and another truck operated by Harry Heyler, 42, of Columbiana collided on Route 14, just east of Columbiana.

At 6:20 p. m., cars driven by Ernest Ankeny, 20, of Kensington R. D. 1, and James Karr, 59, of Warren sideswiped on Route 9, a mile north of Hanoverton.

Bloor To Make Water Appointment Shortly

Safety-Service Director Lawrence S. Bloor said he expects to fill a \$267-a-month supplyman's post at the Water Plant next week, acting on a three-man certified list turned over to him Friday afternoon by the Municipal Civil Service Commission.

The commission's letter showed the three finished in this order in a field of 14 at an exam Wednesday night: Percy English, 118 Perry Ave., 115 per cent; George Reynolds Jr., 838 North Side Ave., 108 per cent, and Thomas Jackson, 324 Haywood St., 105 per cent. Grades over 100 are possible because the commission adds points for military service.

Government Gets \$1,087,477,624 More Than Spent

WASHINGTON, March 3 (AP)—The government took in \$1,087,477,624 more than it spent in the first eight months of this fiscal year, the treasury reported yesterday.

That seems to brighten chances that the deficit at the end of this fiscal year June 30 may be less than the \$2,700,000,000 anticipated by President Truman in his January budget.

To go that deep in the hole, the government would have to spend about \$3,700,000,000 more than it takes in during the March-June period.

Whether it does so will depend on whether defense outlays mount as rapidly over the next four months as the President expects and on how closely tax receipts stick to original estimates.

The temporary surplus will rise sharply this month as the tax collection season approaches its height March 15, the deadline for income tax payments. Tax receipts will slow down after March, however, while expenses will jump.

2 Cage Fans Find Toronto Trip Costly

Two East Liverpool cage fans found Friday night's trip to Toronto cost more than the price of admission.

The State Highway Patrol at Winterville cited Paul F. Bertram, 321 West Ninth, to appear today before Mayor Harry Hamilton of Toronto after his car crashed into one driven by William Weinhardt, 475 Maplewood Ave., East Liverpool, about 7:25 on Route 7 near Toronto.

Bertram's car was damaged considerably while minor damage was reported to the other. Mr. Bertram is the father of Barry Bertram, Potter basketball captain.

Edward J. Lane, 954 Ambrose Ave., was fined \$10 and costs by Mayor Hamilton last night on a charge of passing on the wrong side. He was cited about 9:15 in Toronto, the patrol said.

Key West Taken Over By 'Sporty' Truman

KEY WEST, Fla., March 3 (AP)—A cheerful gray-haired man in a loud sports shirt and light blue summer trousers took over this naval submarine station today.

Harry S. Truman, president of the United States, was back in his favorite winter vacation spot for his ninth visit.

He got a friendly welcome from the citizens of Key West as he rode through Duval and other business streets en route to his quarters from the Boca Chica airport where he flew in from Washington yesterday.

Mr. Truman lost no time getting into light blue slacks and a gray, tail-out sports shirt with a huge figure of a fish.

Chester Couple Expresses Thanks For Help In Tragedy

A CHESTER couple stricken by tragedy Feb. 15, today expressed thanks to the organizations and individuals who helped in their battle to "live again."

Mr. and Mrs. Harold E. James, who lost two children when their home and possessions went up in flames on the Middle Run Road, have been put back on their feet with a furnished three-room apartment on Carolina Ave.

The contributions that flooded the couple after their tragic loss prompted the following letter:

"We wish to take this method of expressing our thanks to the people who have helped us in our hour of sorrow since the loss of our two precious babies and our home.

"To Alvin Arner, local undertaker, Rev. M. V. Stone, Rev. A. F. Haynes, J. W. Nutter, Police Chief and Mrs. Floyd Lyons, Deputy Robert Edwards, Allison

'Fire Boss' Measure Signed By Governor

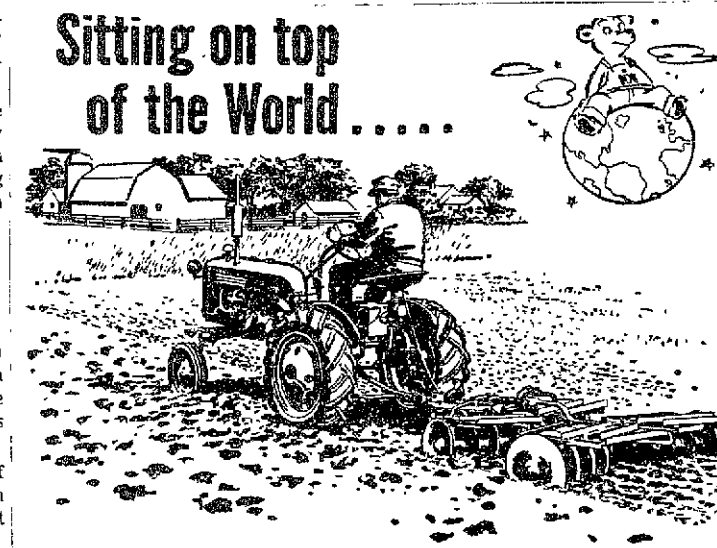

CHARLESTON, W. Va., March 3 (AP)—Governor Patterson yesterday signed into law the much-debated "fire boss" bill which weathered a storm of United Mine Workers opposition before it got legislative approval.

It will become effective in 90 days.

The measure permits section personnel to serve also as safety foremen and other supervisory inspectors in coal mines.

A Housewife Sends An Answer

LAST TUESDAY we printed a questionnaire from Congressman Wayne L. Hayes, inviting his constituents in this area to give him the benefit of their opinions regarding several of the points which have come up in the "Great Debate" in Washington.

We don't know how many people filled out the questionnaire; perhaps not very many. We've taken the trouble to ask a few, and the usual answer is: "No, but I intend to . . . maybe I'll do it tonight." That's not too encouraging.

There is one woman who did answer, however, and sent us a copy. What she says is interesting enough that it deserves to be printed. Perhaps she spoke for many minds; we don't know. She is a housewife, and they're heard so seldom in national affairs that there's no accurate way of knowing how large a viewpoint she represents. Anyhow, here's what she says:

"My answers are based on my belief that:

"(1) a civilization neglectful of its own protection by observance of the Ten Commandments including THOU SHALT NOT KILL, is doomed to destruction. General Douglas MacArthur has said, 'In the evolution of civilization, if it is to survive, all men cannot fail eventually to adopt Gandhi's belief that the process of mass application of force to resolve contentious issues is fundamentally not only wrong, but contains within itself the germs of self-destruction.'

"(2) the only effective way to combat communism is to so raise the living standards of underprivileged peoples throughout the world that communism will be unattractive to them. This we could do by using our strength and resources for the production of food, machinery, medicine, clothing, etc., instead of armaments. If it is necessary to train and send our young men into all corners of the world, let us train them as doctors, construction engineers, teachers, psychologists, diplomats, agriculturists, etc., and send them forth to live and create the means of living for others, rather than to kill and to die."

From this preamble, she proceeds to answer the congressman's questions. Naturally, she had to do a good deal of rearranging because the questions themselves never contemplated such a viewpoint.

For instance, to the question of whether Marshall Plan aid to Western Europe is necessary, and whether it should be increased or decreased, our housewife had to say, "The materials for peaceful living should be increased; arms and war materials should be eliminated entirely."

Again, asked to choose between General Eisenhower's ideas on troop disposition in Europe, and Herbert Hoover's views, she stated: "Let us use these foreign bases for the distribution of food, machinery, medicine, etc., and defend this country by all the peaceful means at its disposal, including co-operation—not power politics—in the United Nations."

Here's one more, set down in answer to the congressman's inquiry about whether a war with Russia should be fought close to home or far away: "I do not believe war with Russia is inevitable. If we assume it is, and plan for it, we are very likely to get just what we plan for. The means we use help to fashion and determine the end result of our planning. This is a moral law, based on sound psychology and exemplified by Gandhi in India."

Well, that's what our housewife wrote. It will be brushed aside, of course, as impractical and out of step with realities. Perhaps there are those who will read communistic or socialist overtones into it. That happens a lot these days. To us, it's a little alarming that we have stumbled and staggered so far into our kind of "civilization" that such words must be turned aside as "impractical".

Where Hope Springs Eternal

THERE MAY BE baseball players so disenfranchised they do not take a new lease on life in spring training camp. But that is their problem.

We the people believe what we read about the fabulous rookies and almost everything we read about the old timers who are going to start a fresh season with a clean slate. We believe the new managers will work miracles. We believe that dead-left-field hitters are going to spray doubles and triples all over the lot, and we almost believe that confirmed clowns at the plate will be transformed by hocus-pocus.

There are numerous ingredients which have a share in making baseball the national game, but none so zealous as this hope that springs eternal when the buds are swelling on the forsythia. Each new season stands alone. The past is useful only as a reference for optimism; it never is allowed to become a deadweight on soaring hopes for the future. We the people can think of no other place where this happens. Which makes its happening that much more precious in professional baseball.

In 1951, everybody will be a star of the first magnitude—at least until Independence Day, when it is customary to make certain adjustments in over-optimism.

Behind The News

Smearing Senator Taft By Association

IT DEPENDS upon where you live whether the word "McCarthyism" is a smear or a praise.

Senator Joe McCarthy has made a lot of noise about Communists and none of his charges has been disproved, although some have not yet been established.

In a word, while Mr. McCarthy has proved the existence of homosexuals in large numbers in the State Department, he has not yet made a case against Owen Lattimore.

Having some knowledge of the contents of the Institute of Pacific Relations files now in the possession of the McCarran committee, I can say that those who ridicule Mr. McCarthy may be very embarrassed.

Mrs. Eleanor Roosevelt, in a recent column, starts with this sentence:

"Rumors are coming from Washington to the effect that Senator Robert A. Taft is making Senator Joseph R. McCarthy his chief lieutenant in his campaign for the presidential nomination."

I MUST assume that the association of the names Taft and McCarthy is a design to smear Mr. Taft, because obviously Mrs. Roosevelt refers to 'Senator McCarthy's' as descriptive of her opinion of him. In fact, she says:

"He tells us that anyone who has a liberal idea or who wants to make practically any change that might better the lot of the people as a whole must be a Communist, that we have Communists in high places everywhere, and that they are or have been responsible for many of the important government policies."

The first part of that sentence, that is, all that comes before the first semicolon, just is not so. Mr. McCarthy is not fighting change, he is fighting Communists. He is not opposed to human progress, he is opposed to Marxism.

The second part, that is, all that appears after the first semicolon, is an accurate statement of Mr. McCarthy's view.

Doris Fleeson, writing more or less on the same subject, hits down Mr. Taft, and she states it thus:

"The fortunes of Senator Margaret Chase Smith of Maine are clear notice to her colleagues that deviationism will not be tolerated by the Taft-McCarthy leadership."

The idea here again is to convict Mr. Taft by association, especially among those who are antagonistic to Mr. McCarthy.

The truth is that neither Mr.

Taft nor the Republican policy committee was consulted concerning the elimination of Senator Smith from the investigating subcommittee of the Senate committee on expenditures in the executive department.

It is usual for the ranking member of the minority of a senatorial committee to appoint the other minority members. Mr. McCarthy exercised his prerogatives. There was no reason why he should have asked Mr. Taft. He holds his position by the grace of the voters of Wisconsin as Mr. Taft holds his by election from Ohio.

NOT ALL Republicans accept Mr. Taft's leadership. Obviously, Senators Tobey and Duff do not. And there are many Republicans who would prefer General Eisenhower as a candidate for president. Obviously, Governor Dewey and Harold Stassen do.

But Mr. Taft is regarded by Republicans generally as an intellectual leader. He holds the respect of a large number of Democrats. Because of his knowledge, wisdom and integrity, he is one of a few Republicans and Democrats who together marshal the majority of the Senate in the 82nd Congress.

While it used to be said that Mr. Taft is a wonderful man, but he cannot be elected, he carried 84 out of 88 counties in Ohio, including the principal industrial cities, winning by over 400,000 votes. It is not possible to say "but he cannot be elected". He was elected.

The Republican machines in New York, Pennsylvania and New England are in the Eisenhower machine, which is one of the best organized ever known. Unfortunately, General Eisenhower is not registered as a Republican, continuing uncertain political affiliations.

While Robert A. Taft is not yet organizing for the presidential nomination, he is not to be ignored. Should the Eisenhower boom in the Republican party blow up, Mr. Taft may be the candidate. His competitors of 1948, Mr. Dewey and Mr. Stassen, are not likely to be in the picture.

There may be more names and even more attractive ones by 1952, but as of today only two names are bespoken in the Republican party, Taft and Eisenhower. And while Mr. Taft is making the record of the party in the Senate, General Eisenhower is not even an acknowledged Republican.

The Black Hand

By Dewitt Mackenzie

NEW YORK

IT'S BOUND to shock a lot of people to learn from the U. S. Senate crime investigation committee that the dread Mafia, or "black hand" society, is operating on a nation-wide scale and is "the adhesive between the major crime syndicates."

Of course most folks have heard of the black hand, but it's a highly secret organization which works under cloak of darkness. Its deeds of terrorism have been all too real, but its organization has been nebulous to the general public.

As a matter of fact the details of the Mafia have been an enigma to its own membership. It has been organized in units, on the basis of the left hand not knowing what the right hand was doing.

The Mafia was born in Sicily in the Napoleonic era. Because of lawlessness, big landowners placed their estates in charge of toughs who had almost despotic power over the peasants and terrorized them.

The toughs of the various estates organized and became so strong that they dominated the land owners. Gradually these

toughs developed into bands of outlaws who made their own laws and carried out their own edicts, including death sentences. These were the foundation of the Mafia.

As the Mafia grew in power, it spread to other countries. It was introduced into America about 1860 and developed until it produced an event which shocked the whole country.

In 1890, David Hennessy, chief of police in New Orleans, was murdered and legal inquiry pinned the crime on the Mafia. This killing was an act of revenge growing out of warfare between two gangs, one of which was Mafia. Stern police measures brought about revenge against Chief Hennessy. Then, to quote Encyclopaedia Britannica:

"Eleven were indicted on suspicion of being implicated in the murder, but the jury was terrorized and acquitted six."

That was an extreme case which rocked the whole country. However, black hand operations on a less sensational scale were going on in many parts of the nation and have continued ever since.

Arabs Resist Israel

By Fred Zusy

CAIRO

TO THE Arab world, Israel is still an arch villain. With few exceptions, Arabs refuse to admit any possibility that the Jewish state is in the Middle East to stay.

It was not Jewish arms that beat them in the summer of 1948, they maintain, but diplomatic treachery. The Arabs claim they were betrayed by Great Britain and the United States.

The Arabs argue, too, that Israel does not have a sound economy. They contend that only charity, and loans, chiefly from the United States, keep the new state going.

Israel's borders with the surrounding Arab states are closed by barbed wire and guard posts. There is no passage either way. There is no trade. Oil from Iraq, hundreds of miles away, is denied the Jewish refinery at Haifa. Egypt has closed the Suez Canal to ships going to or coming from Israel.

The Arabs have grown huffy with Turkey, a fellow-Muslim state, because Turkey recognized

Israel and trades with the Jews. Recognition of Israel by Iran, another Moslem state, brought similar dissatisfaction.

Zionism is the worst enemy of the Arab world, according to Nazem el Kudi, prime minister of Syria.

"Every ship that brings immigrants to Israel bring new enemies of the Arabs."

When U. S. Vice-president Barkley told a Zionist meeting the U. S. would continue to help Israel financially and morally, the newspaper Al Misri commented:

"It is up to the Arabs to answer this challenge."

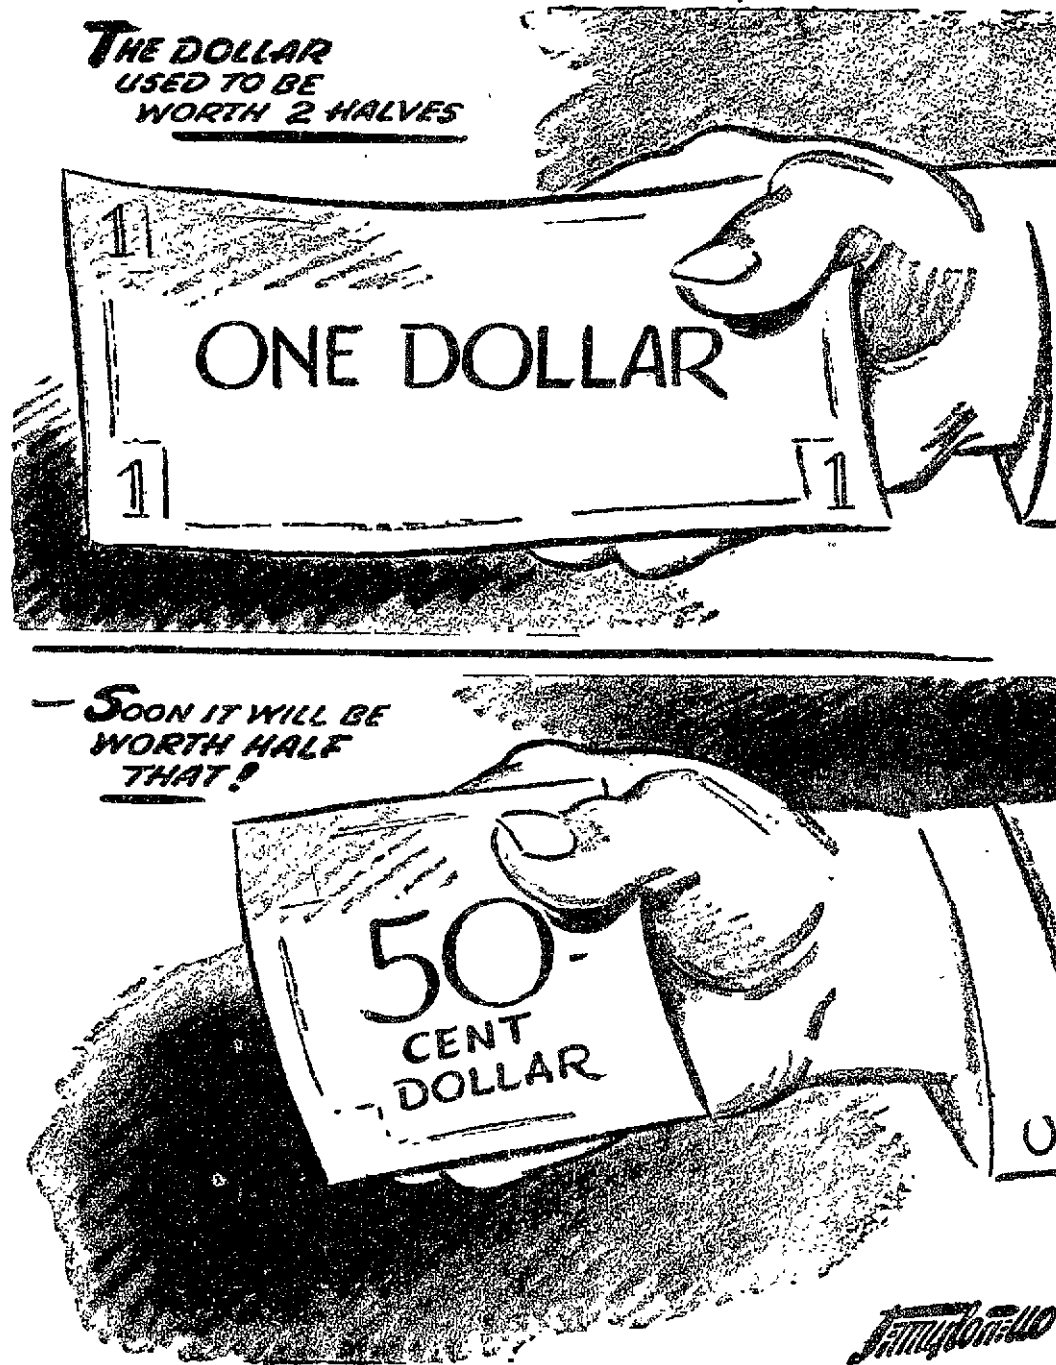

The anti-Jewish refrain is constant.

The British, it might be interjected, also are familiar whipping boys to the Egyptian press—because of the long British military occupation of Egypt.

The Middle East feud causes concern to western democracies because, coupled with the Arabs' own intramural feuds, it means difficulty in planning defense of this oil-rich area.

It Won't Be Long Now

The Challenge From Labor

By David Lawrence

NATURE MUST take its course.

That's about what President Truman has decided in the way to meet the latest crisis in the defense program—the strike ordered by the major labor organizations against membership by labor members on any boards in the Office of Defense Mobilization.

This means that the President will await the opinion of the country. Do the rank-and-file of the labor unions approve of the action taken by their leaders?

Do soldiers in Korea approve of any group which deliberately boycotts the defense operation and refuses to aid it after having been so requested by the President of the United States?

Do the American people think the American Federation of Labor, the CIO and the railroad union representatives are acting patriotically in refusing to sit on government boards when they have been invited formally to serve?

The statement issued by these organizations gives as the main reason that they do not like the decisions and rules made by Charles E. Wilson, director of the Office of Defense Mobilization. A bitter attack is made upon him as being "arrogant" and unwilling to see the needs of labor as the unions see them.

THIS IS tantamount to saying that the labor groups feel they can dictate who shall operate the defense program. It is apparently of no concern to them that the President, after canvassing the possibilities, came to the conclusion that Mr. Wilson, by virtue of his experience as president of the General Electric Co. and in management positions for many years, was the best man qualified to do the job. Can any mobilization program really succeed if the president of the United States cannot choose his own executives?

Mr. Wilson severed all business connections and resigned from his company to accept the position

he now occupies. The labor unions claim that they have nobody on the top-level staff, but, when Mr. Wilson invited them to name a man, they refused to do so, apparently because one of the conditions stipulated was that the labor man should sever all connections with his labor union and become a full-fledged servant of the government of the United States and not of his private business.

Labor unions are entitled to a voice in public affairs, but until they come up with a man good enough to do a management job such as Mr. Wilson has on his hands, they can hardly expect to be given the responsibility for directing the entire program.

But they will be the first to concede that they don't want that responsibility. So it all boils down to the fact that labor leaders still think of Mr. Wilson as they think of all big businessmen—just someone to insult and denounce, someone to characterize with invectives and someone to harass at a time of world crisis when the responsibility of such a man is bigger than that of anyone else in the government with the possible exception of the President.

IF THAT'S a sample of the kind of co-operation America is going to have from its economic groups, then maybe there is reason to be concerned about the success of the mobilization program. For, when the leaders proclaim dissension as their slogan, the rank and file takes up the cry and America is in for precisely the kind of internal disunity on the labor front which Communist agents would give their eyeteeth to bring out.

Labor leaders say they will let their representatives return to another kind of Wage Stabilization Board, but they openly threaten the government unless such a new board is set up as they want it. The penalty they prescribe is refusal to sit on any other boards in the war effort, even though those boards are not at all connected with the issues that have arisen over wage stabilization policy.

It certainly is a novel development—something unprecedented to see the nation's foremost labor leaders telling the government they will not serve it anywhere unless they can have their way on a matter of self-interest materialism.

Such a challenge will not go unanswered either by the government or by patriotic citizens of America, including the workers whose sons are among those who will do the fighting with the weapons and supplies which the Office of Defense Mobilization has been expected to assemble.

Wipe Off That Smile!

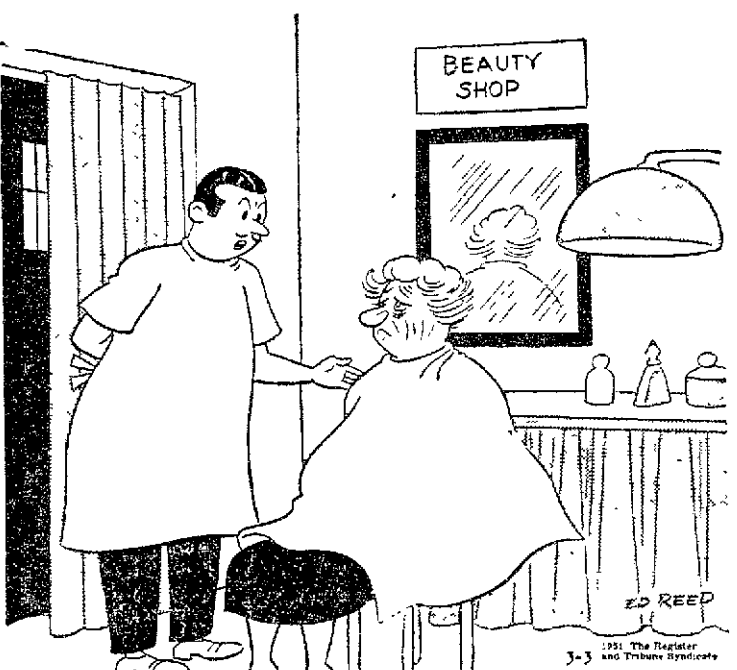

By Truman Twill

SMILE WEEK has slipped by with no perceptible effect, which is as it should be. There already is too much smiling in the wrong places. The right places need no urging. Just give them a chance.

Smiling has become a kind of mask to conceal from passing view the sordid evidence of dirty work which would wipe the grin off the vacuous puss of Mona Lisa.

The Great Video Recipe Threat

STOMACH UPSET? Bilious? Think maybe you're a victim of intestinal poisoning these days? Don't run to a specialist. Check on the wife's afternoon video programs. It could be you are a victim of those new and growing ailments, "Videogastritis", "TV-Indigestions", or "Afternoon-Programitis". Cooking lessons and recipe demonstrations by television are running neck and neck with soap operas and are away out ahead of westerns. Time was when the wife depended wholly on occasional glances at a cookbook or a hint from a neighbor in whipping up a meal or a dessert. She knew her limitations. A husband was fairly safe. But the current rash of telecast cooking programs has changed everything.

In tens of thousands of American homes daddy and the kids are suffering from the effects of television on the human innards.

IN MOST cases they don't even suspect what's going on. Little do they realize that an all-time high in gas pains is due to the fact that the Little Woman is listening to television recipes on a nonstop basis from noon to Howdy Doo. It is difficult to turn on a television set afternoons without running smack into an array of bowls, pots, pans, eggbeaters and the words, 'Add half a cup of sugar, pour in the whites of two eggs, toss in some chopped raisins, etc.'

A woman can resist a cookbook, tune out a radio recipe for bread pudding or resist a culinary hint by the telephone, but she is a pushover for a video broadcast on how to whip up anything from a complicated layer cake to a full-course dinner which even the late Oscar of the Waldorf would hesitate to tackle without long practice. The result is that the old man is in terrible shape trying to decide whether he has been eating toaststools or has gone into a general physical collapse. But the word is spreading. Men who have been tipped off are passing the news around and a revolt of husbands is near. It may be necessary to seal up the video afternoons when the wife is staying home.

THE SETS are full of "Cookalong" Kassidies. It wouldn't be so bad if they would confine themselves to the amateur or semi-pro dishes. Trouble is they give with the pro menus, which most gals couldn't execute properly anyhow. Checking on our own ulcer setup the other day we ran into one kitchen wizard of the outdoor aerials who wound up directions for soda biscuits by adding "And then add a little garlic or, if you prefer, tomato juice"! She followed this up with a blueprint for "asparagus rings" which included "tiny mounds of tuna fish well chopped". That did it. We had it out with the wife at once. She swore she would join "Overextended Cooks Anonymous" at once and take a treatment enabling her to cut down to one cooking telecast a week. In the meantime we shall eat out, where the food is lousy, but not experimental.

From The Review Files

THIRTY-FIVE YEARS AGO—Harry "Dutch" Myers of near Kensington was preparing to leave for Daytona, Fla., where he was to join the spring training camp of the Brooklyn Dodgers.

Fire Chief Arthur Augst instructed Firemen William Torrance Jr. and Raymond Ketchum in the operation of the new Robinson fire truck, which had been placed in service at the East End station.

M. E. Miskall, who had received notice of his appointment as postmaster of East Liverpool, tendered his resignation as a member of the Columbiana County Election Board. Lloyd Gilmore, confectioner and former food inspector, was appointed to succeed him.

TWENTY YEARS AGO—Councilmen Patrick McNicol and Clyde Goodballet, new members of City Council, joined four other members in approving legislation calling for the widening of Pennsylvania Ave. to 40 feet.

Chalmers Smith, chief shipping clerk for the Homer Laughlin China Co. was elected president of the Newell Community Association, succeeding Guy Pittenger, at a meeting in the North American China Co. office.

East Liverpool High School drew Dover and Wellsville was matched with Zanesville for the opening games at Dennison in the annual district championship basketball tournament.

TEN YEARS AGO—Mrs. Harry Shaw was appointed chairman for the World Day of Prayer for 1942 by Chester Church women. Other officers were Mrs. Ellen Eppley, Miss Elizabeth John and Mrs. A. L. Rabenstein.

Thomas Maley, A. J. Barry, Robert Dunlap, Carl Betteglier, Robert Barker, George Kidd, Charles Zeder, Carroll Lynch and Ralph McShane were members of the committee arranging for the 48th anniversary party of the East Liverpool Elks Lodge.

One Man's Opinion

By WALTER KIERNAN

WELL you never know. How many people watching co-captains work in the Garden would ever suspect they also were co-signers?

My barber is a little confused about these investigations. As he understands it, several basketball players are being held for taking bribes to influence the R.F.C.

He says: "But I think the President's idea of having one high commissioner to handle all bets for the R.F.C. will insure a cleaner sport in the future and less blowing of the whistle by Senator Fulbright."

My barber doesn't think the basketball players should be too severely punished. He says: "Who knows, they may have been training for careers as Washington contact men!"

He believes the idea in both cases is the same. . . win the game so it could be posted in the record, but by a narrower margin than it should have been won.

In one case the taxpayers get stuck and in the other it's the bookies. But it's the same basic idea . . . we lose while we win.

Confident Living

By NORMAN VINCENT PEALE
The Secret Of Sleep

I HEARD a manufacturer of drugs tell a meeting recently that more than six million sleeping pills are taken each night to put Americans to sleep! He went on to add that last year's sale of aspirin exceeded eleven million pounds.

These figures are frightening, aren't they, and a bit pathetic as well. Sleep is a natural process designed to restore us and keep us free of the aches and pains that in inability to relax can bring. The doctors tell us that artificial sleep and relaxation is not half as beneficial as natural sleep. Yet, in America, use of sleeping pills and other drugs has become a real problem.

This situation lends meaning to the comment of a foreign visitor who remarked that the English have St. George, the Irish have St. Patrick, and the Americans have St. Vitus. We're nervous and tense and always in a diether.

WHAT is the secret of getting over this tension that keeps us from sleeping at night and working in a relaxed and easy-going manner by day? Dr. Roy L. Smith has discovered it and anyone can use his formula. It is simply remembering that there are no more important minutes in all the day than those last five before going to sleep at night.

The human mind operates so that, when the conscious mind lets go, the subconscious takes over. However, there is a great difference between the two, for, while the conscious mind reasons, whether logically or not, the subconscious mind is always logical although it never reasons. And so, what is in our minds during those fateful five minutes before we hand over control to our subconscious furnishes the thoughts upon which the subconscious mind works during the night.

If, for example, the last thought which occupies our conscious minds before falling asleep is one of fear or bitterness, the subconscious mind will work on this through the night. Our sleep will be troubled and we will wake exhausted. If, on the other hand, these thoughts are confident and peaceful, we will get a good, healthful night's rest.

KEEPING this principle in mind, learn to fill yourself with healing thoughts before retiring. The Swiss philosopher, Henri Frederic Amiel, wrote "The great maxims of the Gospel still seem the surest pillow when the wearied soul wishes to rest on something. They give one courage."

Here are some of these maxims, ready to be used tonight. When you get into bed, say over a few times: "When thou liest down, thou shalt not be afraid; yea, thou shalt lie down and thy sleep shall be sweet." (Proverbs 3:24).

"Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day." (Psalms 91:4-5)

"What time I am afraid, I will trust in Thee." (Psalms 56:3)

"I will both lay me down in peace, and sleep; for thou, Lord, only makest me dwell in safety." (Psalms 4:8)

"He that keepeth thee will not slumber. . . The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore." (Psalms 121:3, 8)

Senior Choir. The sermon will be "This is My Commandment, That Ye Love One Another as I Have Loved You."

The Methodist Youth Fellowship will study St. Mark 8 at 6:15 p. m.

Miss Minnie Jane Merrells, pastor's assistant, will use Chapters 6 and 7 of St. Mark for the class studying a biography of Jesus, at 7:30 p. m.

The Official Board will meet Monday at 7:30 p. m. in the church parlors. The fourth in the special programs on "We Seek Him Together" will be featured Wednesday at 7:30 p. m. Mrs. Claude Ruckman will speak on "Building and Using a Worship Service."

ELOQUENT TRIBUTE

Though made of marble or granite, no beautiful monument stands silent. It speaks your love as eloquently as though it had a voice—and will for all posterity.

Do any of your loved ones lack such a tribute? If so, you'll be surprised at how reasonably you may express your sentiment in words that will live through time.

MISS DOLORES CAMPBELL and Ralph Taubert exchanged marriage vows Feb. 13 at 7:30 o'clock in the parsonage of the Second Presbyterian Church, Wellsville. Rev. L. N. Lemmon officiated for the single-ring rite.

The bride is the daughter of Mr. and Mrs. William Campbell of LaCrosse, and the bridegroom is the son of Mr. and Mrs. Emil Taubert of Glenmoor.

Miss Marion Huston and William Campbell, brother of the bride, were attendants.

Both the bride and bridegroom are graduates of East Liverpool High School and the bride is employed at the City Market. Prior to his induction in the Army Feb. 15, the bridegroom worked at the Crucible Steel Co., Midland. He is stationed at Ft. Meade, Md.

OFFICERS WERE ELECTED by the Win-One Class of the Calcutta United Presbyterian Church at an all-day meeting Thursday at the home of Mrs. Reta Roush of the Casting Club Road.

Mrs. Albert Watson was named president; Mrs. Ruby Conkle, vice-president; Mrs. Laura Hickman, secretary, and Mrs. Mary Boyd, treasurer.

Mrs. Gladys Pike, retiring president, was in charge of devotions and the business.

The group will serve a dinner for the Beaver Rural School teachers March 13. It was postponed in February.

Donations were made to the Red Cross and toward church expenses.

A coverdish noon luncheon was served by the hostess, assisted by Mrs. Boyd and Mrs. June Rudibach.

The next meeting will be April 5.

MISS FRANCES LOUISE NEWLON and Harry R. Bock were united in marriage at 2:30 o'clock Sunday in the First Baptist Church at Grafton, W. Va. Rev. John A. Holt, pastor, officiated for the double-ring rite before an altar of gladioli, fern and candelabra.

The bride is the daughter of Mr. and Mrs. Roy M. Newlon of Grafton, and the bridegroom is the son of Mr. and Mrs. William Bock, 325 East Alley.

Miss Frances Jacob presented an organ recital of traditional music and Miss Hazel Pick of Clarksburg was soloist.

Given in marriage by her father, the bride wore a ballerina gown of white lace and satin. A high neckline and pointed sleeves highlighted the lace bodice, and the full skirt was of net over satin. Her shoulder-length veil was caught with a helmet-shaped lace cap trimmed in seed pearls. She carried a white prayer book topped with a white orchid and streamers. Her only jewelry was pearl earrings.

Miss Joan Golladay of Romney, W. Va., a roommate of the bride, was maid of honor in a Navy blue nylon street-length ensemble. Her accessories were of Navy and she carried a Colonial bouquet of mixed flowers. Joseph Antolov of Shinnston, W. Va., a friend of the bridegroom, served as best man. Ushers included Louis Bruyneel of Fairmont and Joseph Beck of Monesson, Pa.

Mrs. Newlon was attired in black lace over a pink crepe bodice with black skirt. She wore matching accessories and a corsage of pink roses.

A reception for 100 followed at the home of the bride's parents. Aides were Miss Patricia Tucker, Miss Anna Mary Weaver, Miss Patricia Parker and Miss Crystall Woodell.

The couple left immediately on a wedding trip for which the bride chose a green suit with contrasting brown accessories and an orchid corsage.

The bride is a graduate of Grafton High School with the Class of 1947, and Fairmont (W. Va.) State College in 1951. She was a member of Sigma Sigma Sigma social sorority.

Her husband is an instructor of Industrial Arts at David Anderson High School in Lisbon. He was graduated from East Liverpool High School in 1944, and Fairmont State College in 1950.

They plan to make their home in East Liverpool.

MRS. ALICE ELIZABETH TESTA has chosen April 25 for her marriage to Harvey Cunningham Jr. Her engagement was announced by her mother, Mrs. Lena Ryan, 531 1/2 Mulberry St.

Mrs. Testa is employed at the Naples Spaghetti House and Mr. Cunningham, son of Mr. and Mrs. Harvey Cunningham of Lagrange R. D. 1, works at Ben Smith's Auto Body Repair Shop.

Liverpool Battles Steubenville For Sectional Crown Tonight

Eliminates Wellsville In Semi-Finals, 66-57

By BOB SHAFER, Review Sports Editor

East Liverpool, 66-57 winner over Wellsville's "darkhorse" Bengals Friday night, will attempt to dethrone Steubenville Big Red's defending champions tonight at the finals of the Eastern Ohio Class A Sectional tournament. The battle is loaded with rich stakes for the Potters. They haven't won a sectional title since 1947, and they'll be up against a power-laden quintet that rocked them in the 1950 titular game at Steubenville.

To add another bit of lustre to the attraction that no doubt will draw the largest crowd of the current event, it'll be the "rubber" match for the two clubs counting regular season play.

In the first game, the Blue and White defeated the Stubbers, 50-46, but in the return match on the Big Red court, the Jefferson county combination put on a great rally in the fourth quarter to nose out the Hallmen, 41-38.

Game time tonight is 7:30. The winner will qualify for the district eliminations which will be unfolded next week on the Steubenville floor.

Merrill Hall, bossman of the Potters, steered his forces through LaScola at 3:45, the Potters derided the margin to 10 points, 63-53, with 2:30 to go.

O'Farrell, who played a tremendous game all-around, zipped a pair of one-handed pushers from the side to send the Blue and White into their 10-point edge.

He was banished on fouls, too, but there were only 45 seconds remaining.

After McCoy's heave had given the Potters a 2-1 edge at the outset, they quickly built up a 10-point margin, 15-5. They led at the quarter, 21-13.

Early in the second quarter, Frontone and Joe Renicker sparked a Wellsville spurt that erased all but three points of the lead. Renicker, hitting on his third set shot of the period, slashed the margin to 27-24.

Then Berman touched off a Liverpool rally that boosted the Potters into their biggest lead. The little Liverpool leader pumped in three baskets, as James and Morgan each added one to raise the count to 37-24.

Again the Bengals fought back. Frontone ripped the cords on two set shots. Darrell Shanks dropped one through from underneath and LaScola who was deadly all night with booming sets, cut the meshes with a beauty as the half closed, 37-31.

Liverpool was handed a gift point at the start of the third quarter when Berman converted a foul after Renicker failed to report his return to the lineup to the official scorer.

LaScola started another Bengal rally with a set shot, and Frontone followed as did Ron Green from close in to cut the Potters' margin to two markers, 39-36.

That, however, was the nearest the Bengals came to catching up. They managed to hold on, 49-46, and were still in the game at the end of the quarter, 41-38, but the James-Berman-O'Farrell spurge salted down the verdict for the Potters.

Frontone led all scorers with 19 points, but he was followed closely by Liverpool's Berman who racked up 16, O'Farrell with 14, and Morgan with 13. LaScola collected 11.

The rebounding of Morgan and O'Farrell was a standout for the Potters as was that of Green for the Bengals.

Both clubs were below standard at the foul stripe, the Potters converting only 12 of 24 chances and the Bengals 11 of 25.

Both teams were hot from the field, the Bengals showing a slight edge with 33.3 per cent on 23 goals for 60 attempts, and the Potters 37.5 per cent on 27 baskets for 72.

East Liverpool—66

Benefit Game Set

EAST PALESTINE, March 3.—The New York Cover Girls cage team will meet the Beaver Falls American Legion in a benefit attraction here Monday night at 8:30. Proceeds will go to the American Legion Junior baseball team. A preliminary is scheduled at 7:15.

Liverpool's Beadle In Mat Semi-Finals

Pat Beadle, who went undefeated in eight matches this season for East Liverpool High, qualified for this afternoon's semi-finals in the Ohio High School Wrestling Tournament at Cleveland John Hay High School.

The Liverpool heavyweight, who won in yesterday's preliminaries and quarter-finals, is the only one of a five-member Liverpool squad to advance to the semi-finals.

He decided Shipley of Shaker Heights, 5-2, in a preliminary match, and then pinned Brennen of Euclid in 3:43 in the quarter-finals.

His opponent in this afternoon's semi-finals is Radel of Benedictine, who was seeded No. 1 in the meet. Miracle of Bedford was seeded No. 2 and Beadle No. 3.

The other four members of the Liverpool squad—Gen Stein, 104, Tom Osborne, 112, Don Chadwick, 155, and Tom Jenkins, 165—were beaten, but still have a chance in the consolation bracket if the wrestler who defeated them advances to the finals.

Staub lost a decision to Schuch of Lakewood in the preliminaries, and Osborne also lost in the first round, Competto of John Adams, the favorite, gaining a 4-0 nod.

Chadwick, after beating Kerns of Maple Heights on a 2-0 decision, lost his quarter-finals match to Newhauser of Lakewood by a close 1-0 edge.

Jenkins scored a fall over Goff of Barberton in 1:23 of the first period in his preliminary bout, but then lost on a 4-0 decision to Terhune of Shaker Heights in the quarter-finals.

Finals in all divisions are scheduled tonight.

Mal Whitfield And McKenley To Duel Again

BUENOS AIRES, March 3 (AP)—Sergeant Mal Whitfield of the Air Force, in what may be one of his last appearances in the middle distances, opened a campaign today to add the 400-meter Pan American games crown to his 800-meter championship.

But he'll be going against the world champion—his old rival from Jamaica and Illinois University—Herb McKenley.

Whitfield says he plans to switch to the mile in the future. But the former Ohio State ace is hot after the 400-meter title because:

►He'll be trying for the double that eluded him in the 1948 Olympic games in London. He won the 800 and lost the 400.

►He wants to hang it on the one man who has been whipping him consistently outdoors.

While these two battle it out, the United States will try to overcome Argentina's lead in unofficial team points. The South Americans hold a 381-320 advantage over Uncle Sam's forces.

Whitfield will run a qualifying heat today, then hopes to run the final in 46.5 seconds Sunday.

"After that," he says, "I'd like to go for the record in the mile. You can bet I won't be running the mile just for the sake of running the mile."

Whitfield's Air Force enlistment will end in July. He plans to return to Ohio State to finish his final year.

Here's the unofficial point total as the games start a busy week end:

Argentina 381, United States 320, Mexico 113, Brazil 100, Chile 67, Peru 51, Cuba 50, Trinidad 15, Colombia 11, Ecuador 8, Jamaica 8, Panama 7, Venezuela 7, Guatemala 5, Haiti 3, Paraguay 1 and El Salvador 1.

Yesterday's champions include shot put—Jim Fuchs, U. S., 56 feet, 7 1/2 inches; 300-meter medley relay swim—United States (Allen Stack, Bowen Stanford, Richard Cleveland—Ohio State, 100-meter women's backstroke swim—Maureen O'Brien, U. S., 1:18.5.

Faces Pine Grove Tonight

Newell's talented tossers have an old score to settle tonight when they clash with Pine Grove in the Region 1 finals of the West Virginia High School Class "B" tournament at New Martinsville.

Three years running the Green and White of Wells High have battled to the championship game of the regional classic, and in their first two bids for the crown have been turned back.

In the 1949 finals at Sistersville, Pine Grove — tonight's foe — squeezed out a narrow victory over the Newell cagers in the final seconds. In fact the winning toss was in the air when the final gun cracked.

And in 1950 on their own court, the Wells five, after leading most of the game, was nipped in the last quarter by Smithfield, 49-42.

So tonight Coach John Robinson's basketweavers not only will be striving to break that "final game jinx," but will be out to avenge the 1949 loss to the Pine Grove cagers. Game time tonight is 8.

Newell Hopes To Break Regional Finals 'Jinx'

A "blind draw" to pair the four teams who will compete in the West Virginia Class A Region 1 tournament will be held Sunday at 2 p. m. at the McElure Hotel in Wheeling.

Chester, upset winner over Weirton, will represent Section 1. Champions in Sections 2, 3 and 4, to be decided tonight, will be the other contestants.

The tournament will be held Wednesday, Thursday and Saturday nights at the Bethany College Field House. One game will be played each night starting at 8. One winner will survive to qualify for the state finals.

The winner will advance to the Fairview Area tourney.

Coach Robinson, however, sized up tonight's battle as a tougher one than his charges have faced in past regional finals. The Pine Grove cagers, champs of Section 3, have won 20 of 22 games, have good height, are fast and boast a pair of fine players in Rexroad, 6-3 1/2 center, and Cain, 6-1 forward.

Pine Grove fought into tonight's finals by blasting Pennsboro out of the running Thursday, 73-64.

Newell's record now is 13 wins against five losses, including a pair of tournament victories.

The Newell mentor, whose team chalked up an impressive 60-33 triumph over Cameron to gain the finals, said he'll stick to his original starting lineup. Ron Laneve and John Laneve will hold forth at the forwards, Norman Six at center and Ron Johnson and Don Reppard at guards.

Chester, Three Others To Stage Draw Sunday

Chester Junior High's basketweavers, a 35-32 winner in an overtime battle over Springfield Township in a semi-finals game, will tangle with East Palestine tonight for the championship of the annual Junior High tourney at East Palestine.

The host team made the grade by turning back Champion, 26-20, in last night's semi-final round. The championship game is scheduled for 8. Last night's losers will meet in the consolation finals at 7.

Trophies will be awarded the champion, runner-up and consolation winner.

Chester and Springfield were deadlocked at 29-all last night at the end of the regular game, but goals by Campbell and Bebout wrapped up the victory for the Chesterites.

Campbell sparked the winners with 14 points as Bebout dropped in nine. R. McMurray led the losers with 10 markers.

Chester—35
Bebout, 3-8-9; Kimball, 1-1-1; Campbell, 7-0-14; Paulauskas, 0-2-3; Hobbs, 1-2-4; Theiss, 2-0-4; Davis, 0-0-0. Totals—35-32.

Springfield Township—22
Noe, 3-2-8; Cobb, 2-2-6; R. McMurray, 6-0-10; Lund, 2-1-5; J. McMurray, 1-0-2. Totals—22-35.

Independents Grab Opener

The Hall China Independents, winners of the first round, got off to a flying start in the second half of the Y. M. C. A. Industrial Basketball League race Friday night by trouncing Wellsville China, 57-24.

In other action, Homer Laughlin dumped Hall China Decorators, 34-27, Harker Pottery defeated Knights of Columbus, 45-39, and Edwin M. Knowles, who replaced the Police for the second half, whipped Taylor, Smith & Taylor, 45-30.

Jim Stull poured in 26 points to lead the Independents as Chuck Allison bagged 12 for Wellsville China. Jim Lowe sparked Laughlin with 11 markers, and Bolton dropped in seven for the Decorators.

Bill Patterson led Harker's offensive with 12 points, and McGowan, Michaels and Bennett each looped eight for the Kaycees. Green paced Knowles with 13 counters, with Householder and Carpenter each meshing eight points for T. S. & T.

O.S.U. Places 4 Men In Wrestling Finals

CHICAGO, March 3 (AP)—Ohio State's wrestling team placed four men in today's final Big Ten conference bouts, taking a slim lead over Michigan and Michigan State.

The latter schools each sent three to the finals.

Defending champion Purdue qualified only two men for the finals.

All four defending champions advanced to the finals. They are Chuck Farina, Purdue, 137; Charles Moreno, Purdue, 147; Don Ryan, Wisconsin, 157, and Bill Miller, Ohio State, heavyweight.

Senior Rifle Club At Wellsville To Meet

Charles Haugh, president, said the Wellsville Senior Rifle Club will meet Monday night at 8 at the range on the third floor of the City Hall.

The monthly business meeting will be followed by regular range firing. All members are urged to be present so they may be assigned to a team.

Police Seek Four More In Garden Cage 'Fix'

2 Indiana Towns Have 'Stand-Ins' As Tourney Calls

LAPORTE, Ind., March 3 (AP)—Laporte firemen, policemen and civic groups are helping make it possible for nearly everyone in Rolling Prairie to go to Hammond today.

Rolling Prairie, a community of 600 eight miles north of here, is excited about the chances of its sectional tournament champions in the Indiana high school basketball regional meet at Hammond. All 703 tickets allotted to Rolling Prairie are sold.

Laporte, a city of 20,000, is furnishing police and fire protection for Rolling Prairie during the time the town will be almost deserted. Also, the Laporte Herald-Argus and civic groups are arranging for substitutes to perform various other duties, including baby-sitting and cow milking. Laporte lost to another team in the sectional.

In east-central Indiana, New Castle is doing much the same thing for Middletown, which ousted New Castle in last week's sectional tourneys.

Figure In '49 Duquesne Game Discloses Death Threats

NEW YORK, March 3 (AP)—Police today sought two more former basketball players and two suspected gamblers in the ever-widening investigation of the greatest gambling-bribery scandal in collegiate sports history. The police net already has fallen over 13 players or former players and four other persons in six weeks. Involved are fixes and alleged fixes of at least 16 games played during the last three seasons.

Indications are that the widened investigation will extend to additional games played during a fourth season—1947-48.

Authorities revealed yesterday that both former cagers wanted for questioning played with Long Island University during the 1948-49 season. One reportedly played the previous season.

One of the suspected gamblers allegedly fixed the Duquesne-L.I.U. game played here Jan. 1, 1949. Duquesne, a four-point underdog, won 64-55.

None of the four now being sought were identified.

District Attorney Frank S. Hogan disclosed the extended hunt yesterday as he described the arrest of Lou Lipman, 26, high scorer of the L.I.U. team of 1948-49.

Lipman was charged with accepting a \$300 bribe to dump the Duquesne game. He was freed on \$1,000 bail.

Lipman bared threats of gangster-style shooting and

drowning behind the fix scandal. He told reporters that prior to the Duquesne game he got into an argument with one of his teammates on a matter involved in the scandal now going on.

"I wanted to get rough with one of the fellows," Lipman related, "and he said if I laid a finger on him he knew the right people who would put me in a sack and drop me in the river."

He did not identify the player nor the specific subject of the argument.

Lipman said that after L.I.U. defeated Southern California in a close game at the Garden in the 1948-49 season, Nathan Miller, one of the players now under arrest, told him:

"Lou, if you made one more basket, you'd have gotten us all shot. We told this fellow (presumably the fixer) that you were with us."

In many of the alleged fixes, the idea was not necessarily to lose the game but keep the point margin within a range prescribed by the fixers.

N.C.A.A. Threatens To End Its Competition At Gardens

CHICAGO, March 3 (AP)—The N. C. A. A. today has its guard up and a counter-punch cocked for violators of its football television ban. It also recommended tighter collegiate control of basketball at scandal-plagued Madison Square Garden. In an important session yesterday, the association's policy-making council:

►Said its March 20-22-24 eastern regional cage meet will be held as scheduled at Madison Square Garden, only because of contractual commitments, but that the show will be off next year without "effective control, management and supervision" by the N.C.A.A.

►Threatened to expel any member which deliberately televised football this fall beyond an approved realm of experimental controlled video.

Although cautiously wording a statement of policy to counteract the big fix scandal in New York, the council made it obvious that Madison Square Garden is out for the N.C.A.A. cage tourney after this year unless there is a "complete change" in tourney control.

K. L. Wilson, N.C.A.A. secretary-treasurer, said this would mean vesting with the N.C.A.A. policing and supervising authority which now rests mainly with the Garden.

The council recommended that members hold their athletic competition on their own campuses. If campus facilities are inadequate, non-campus arenas may be sued if properly controlled by college sources.

Since the Chicago Stadium, Kansas City Auditorium, San

Francisco Cow Palace and other major scenes of collegiate basketball have college tie-ups, the directive presumes had Madison Square Garden as a locale for N.C.A.A. competition as its main target.

Even Madison Square Garden, during its regular double-header season, has had collegiate affiliation with local schools. But these included C.C.N.Y., Manhattan, Long Island and New York University, all having present or past players involved in the fix scandal.

The National Invitational Tournament scheduled at the Garden March 10-17 is beyond the jurisdiction of the N.C.A.A., which can dictate tourney sites only for its own championships.

On the football video subject, the council acted to put teeth in the vote by the full N.C.A.A. convention at Dallas, Tex., last January to ban live gridiron television this fall.

If a member "plans" to conduct television on an outlay basis, it will be branded immediately as a member-not-in-good-standing, barring it from N.C.A.A. championship meets.

If the violation actually takes place, the council will recommend expulsion from membership.

Air Force Cites Change In Reserve Call-Up

WASHINGTON, March 2 (AP)—The Air Force has quit ordering its volunteer reserve enlisted men back to active duty.

A spokesman included this among other recent changes in the reserve call-up program when asked today to say where the frequently-revised program now stood.

The involuntary recall of officers of the volunteer reserve also has been suspended temporarily, except for certain critically-needed specialists not obtainable from the organized reserve, the spokesman said. These specialists include such technicians as radar men, weather men, navigators and various types of electronic experts.

Escapée Captured

CANTON, March 3 — A two-time escapee from the Boys Industrial School at Lancaster is back in the hands of the law today. Jack Rainsberger, 15, was arrested yesterday in Hillman's Jewelry Store here. Police said he was trying to buy \$622 worth of jewelry with a phony check. Earlier in the day he forced another check to pay for a \$58 traveling bag in the Canton Hardware Co. store.

14 Seek Honors Before 55,000 In Santa Anita Race

ARCADIA, Calif., March 3 (AP)—The 14th running of the Santa Anita Handicap today promises to be a free wheeling battle between 14 rivals, most of whom are straining to emerge from mediocrity and capture the famed golden gallop.

Upwards to 55,000 fans are expected to witness the event and the track management hopes for bright skies and a fast track by the time the parade to the post begins late this afternoon.

Missing from the field are such stars as Hill Prince, Your Host and others sidelined by injuries this winter. Much of the color and spark which marked the event seems to rest with a bare handful of contenders—the Calumet Farm's entry of All Blue and Bewitch, Alfred G. Vanderbilt's great 4-year-old filly, Next Move, and Mr. and Mrs. John De Blois Wack's Great Circle.

Surprises are not strangers to the Santa Anita Handicap, however, and few would be surprised if something in the nature of an outsider—William Goetz' Bernbrook or Mr. and Mrs. C. Norman Phelps' Sturdy One—hit the wire first for the \$100,000 first prize.

Post time for the feature race is 7:45 p. m. (East Liverpool time).

Elks Palsy Movie Screened For Lions

A film explaining the problem of restoring normal muscle control to 3,500 Ohio children who suffer cerebral palsy was screened at the Lion Club's weekly luncheon meeting Friday noon in the Travelers Hotel.

Called "Ohio's Legion of Forgotten Children", it explained the project of the 89 lodges in the Ohio Elks Association to raise funds for the spas at Canton.

George Salsbery, chairman of the local Elks' part in the project, spoke briefly.

Leroy Chamberlain, first vice-president, conducted the meeting in the absence of Richard Walker, president, who was ill.

GUILFORD, March 3 — Carl Miller, assistant chief of the State Parks Division, said rowboat and motorboat licenses will go on sale March 15, and rowboat licenses may be obtained at Guilford Lake. All boats must be licensed by May 1.

Army And Air Force Sign 26

February Recruiting Far Below January's

Six additional enlistments brought the number joining the Army and Air Force during February to 26, far below the January total, Sergeant First Class Charles Starr announced today.

The Army enlisted 12 youths last month, 13 joined the Air Force and one Women's Army Corps recruit signed. The January total, a station high, was 71.

Sergeant Starr said adverse Air Force publicity about crowded training conditions, the temporary "freeze" on enlistments and a false sense of security slowed recruiting.

The last enlistments during the month were James T. Butcher of the Thompson Hotel, and Bobby Adkins of General Delivery, both of East Liverpool; Clarence J. Baker and William W. Baker, cousins, 186 Montana Ave., Chester, and Tom Grady, 604 North Beaver St., Lisbon.

All enlisted for three years in the Army and were assigned to Ft. Meade, Md. William Baker had prior service.

Samuel J. Sowards of Box 44, Lisbon, a former serviceman, enlisted in the Air Force and was sent to Wright-Patterson Air Base, Dayton.

Delay In Claims Cuts Survivor Aid

Many Social Security benefits are being lost because claims are not filed on time, William J. McCauley, manager of the Youngstown area office covering Columbiana and Mahoning counties, explained today.

Payments are not automatic, he stressed. Lump sum benefits, payable in all death cases where the worker met the employment requirement, must be claimed within two years of the death.

Monthly benefits must be claimed within six months after the month the wage earner dies. Each month the application is delayed is the loss of another month's payment, Mr. McCauley said.

Misunderstanding is the chief reason the claims are not filed on time, he declared.

The relative of any worker who died at any age in September, 1950, will not lose any monthly benefits if application is made before April 1. If filed in April, one month is lost; in May two months, he explained.

Information about benefits can be obtained from Eugene O. Wiles, field representative, who is in the office in the basement of the Post Office each Wednesday and Friday.

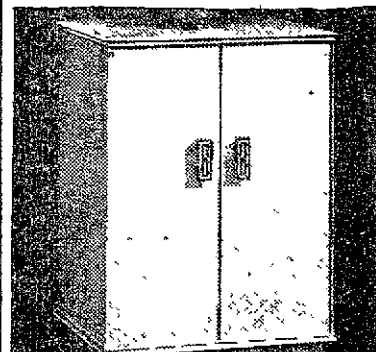

The first commercial air service from London to Paris was launched Nov. 10, 1919.

50 Years In Trade

Woman Printer Retires

THE SMELL of printer's ink soon will be but a memory for Miss Mary Shappo, 317 Market St., who put away her blue denim apron at the McNutt Printing Co. for the last time Wednesday after 50 years among the galleys.

Mary started learning her trade at 16 on the old Hubbard Enterprise, a weekly paper.

While other girls her age were following such strictly feminine occupations as seamstress, housewife or nurse, Mary was learning to read type upside down.

Her boss was R. S. Baker, at that time superintendent of Hubbard Schools, who picked her from among his students to work for him when he became owner of The Enterprise.

Whenever the managing editor was away on vacations, Mary would pinch-hit for him. It was then that she got her first taste of reporting—a job

County's Liquor Fees Totaled \$81,695 In '50

Columbiana county received \$81,695 from the \$7,493,654 distributed to Ohio's local governments in 1950 in license fees from operators of drinking establishments.

State Liquor Director William C. Bryant said the total was the third highest in history, exceeded only in 1949 and 1948.

"This is unusual," Mr. Bryant commented, "in that fewer new permits were issued during 1950 than in any previous year since the Liquor Department's inception."

The license fees were collected by the liquor department, then returned to the city or county in which the permit holder is located.

Wellsville Attorneys Organize Law Firm
